CLINIQUE PODIATRIQUE DE L'OUTAOUAIS

COVID-19 Instructions to follow during your visit to the clinic:

1. Arrive alone.
 - a. If the patient is a child, an adult may accompany the patient, without siblings.
 - b. If a patient must have assistance, the companion can be admitted. This person must fill out the same questionnaire and wear a mask.
2. Payment by card recommended.
3. No food or beverage.
4. Arrive at the time of your appointment.
5. If and only if the waiting room is full. It is possible that the waiting time will be in the comfort of your car. We will give you a warning badge.
6. Come with your mask and wear it all the time.
7. Wash hands at least 20 seconds with a hydro-alcoholic solution.
8. As much as possible, maintain a social distance of 2 meters.

Please take note:

If you want your toenails to be treated, please remove all nail polish before coming to the clinic.

These requirements are essential to the safety of all.
